

Student/Parent Agreement

We have read and understand the information found in the Century High School "Marching Knights" Handbook. Furthermore, we understand that we are accountable for the information found in this handbook and agree to abide by the guidelines set forth by the CHS Marching Band program.

All fees assessed are our responsibility and we agree to make payments on the dates mentioned OR make arrangements with the band director. We understand that all fees must be paid in full by the first competition in order for participation. Any unpaid balance must be paid in full by the end of the season (November 2, 2019) in order to participate in any other extra-curricular activity organized by the instrumental music program at Century High School.

In addition, if our student does not finish the season by choice, we will still be responsible for the membership fees assessed. Any additional fees assessed to the band based on music, drill, guard routine rewrites due to not finishing the season will be our responsibility.

This page **MUST** be returned to Mr. Jones ASAP.
