Dear Sir or Madam,

The Century High School Instrumental Music Boosters are seeking donations for an upcoming fundraiser! Saturday, September 21st, 2024, Instrumental Music Boosters will be hosting the Maryland Marching Band Association's Premiere Fall Show which includes marching music programs from schools all over Carroll County plus throughout the State of Maryland.

Over the years, community donations and support have made our program wonderfully successful! The funds raised via your donation will be used to purchase new instruments, music, and a new tractor to haul our equipment during outdoor performances, bring guest conductors and performers into the classroom to work with students, support scholarships for graduating seniors, help provide uniforms and fund field trip experiences for students. We also encourage you to visit the Instrumental Music Booster's website: knightsmusic.org for more information on our program. Any amount of monetary donation is graciously appreciated.
